TOOLBOX STARTER KIT

INTRODUCTION

Welcome, member of BFNations Canada. This is the BFN Canada Toolbox Starter Kit.

This toolbox has been made for introducing new members to the world of Competitive Battlefield. Through the process of teaching you map callouts and control settings. That is shown (below)

STICK AIMING ACCELERATION

Choose the amount of acceleration when pushing the aiming stick all the way while not in zoom. If you want stick aiming without any acceleration (as it was in Battlefield 4), set the value to 0. In zoom modes, there is no stick aiming acceleration.

CONCLUSION

Hopes this starter kit will help your overall gaming performance on the Battlefield. If you have any questions or like to give feedback please pm one of the team leaders listed here. Thanks for checking this page out.
